

## VOLUNTEERS ARE NEEDED!!!

### Why We Do It!

In 2005, Stay Real, Inc. was founded to foster national and/or local amateur sports competitions, specializing in children and youth sports. Overall, our company can be characterized as a sports development program that promotes and manages Stay Real, Inc.

Through our continued work with the young men and women who train with us we have come to realize that tutoring is needed to ensure their success. The tutoring program will run all year long so that each young person gets the support that they need.

**We are a 501C3 organization so all donations are welcomed.**
